

# Namron: Namron Ladekabel Mode3 Type 2 fil

## Type 2 32A 3fas 7m

Varenr: 92459

EAN: 7070990342087

### Technical Description

Type2 to Type2 Charging Cable 7 Meter		
<b>Definition</b>	Standard	IEC62196.1
	Charging mode	3
	Connection mode	B
	Current type	AC
	Housing color	Black
	Cable color	Black
<b>Environmental Performance</b>		
<b>Environmental Performance</b>	Ambient temperature (working)	-30~50°C
	Ambient temperature (storage)	-40~80°C
	Highest altitude	2000M
	Ingress protection	Working condition IP55 Protective cap IP54
<b>Mechanical Performance</b>		
<b>Mechanical Performance</b>	Insertion /Withdrawal cycles	>10000 times
	Insertion/Withdrawal force	<100N
	WithstandingImpact force	Charging interface can withstand 1 meter height drop and 2 tons of car rolling
<b>Mechanical Performance</b>		
<b>Mechanical Performance</b>	Rated current	32A
	Rated voltage	480V
	Power contactnumber	5(L1,L2,L3,N,PE)
	Signal contact number	2(CP PP)
	Signal pin current	2A
	Signal contact current	>100MΩ
